

Int'l Appl. No. : PCT/EP2004/010926
Int'l filing date : September 30, 2004

REMARKS

The claims have been amended to conform with the rules of practice before the U.S. Patent and Trademark Office. The claim amendments are based upon the claims filed under PCT Article 34 on July 20, 2005. The specification has been amended to recite the International Application and priority application. The word "CLAIMS" has been deleted and substituted by "WHAT IS CLAIMED IS" so that subsequently appearing claims will be the object of a sentence as specified by M.P.E.P. section 608.01(m). As a result of this preliminary amendment, Claims 1-33 have been amended. Accordingly, Claims 1-33 are presented for examination. No new matter is being added herewith.

Abstract

An Abstract on a separate sheet is included herewith.

Conclusion

Should there be any questions concerning this application, the Examiner is invited to contact the undersigned agent at the telephone number appearing below. Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
